

LAKE ACCOTINK PARK

The Cross County Trail within the park runs from the edge of the parking lot below the dam, along the east and north side of the lake and then along Accotink Creek to the Braddock Road underpass into Wakefield Park. The trail is mostly natural or stonedust surface and is fairly level. Two large bridges are included on the route. Several information kiosks are located along the trail at connecting trails from residential areas. Total distance from the dam to Braddock Road is approximately 2.2 miles.

Also within the 493 acre park are numerous natural surface, single-track trails that are used by mountain bikers, joggers, and walkers. Lake Accotink Park includes a 50 acre lake with boating, fishing, and tour boat rides. Other facilities include restrooms, drinking water, miniature golf, snack bar, carousel, playgrounds and picnic areas. The park is open year round. Facilities are open seasonally. Call for hours and info: 703-569-0285. Parking is available within the park, as shown on the map.
